About Us

Al **Basma Landscaping and Gardening Works** is a full-service property transformation company based in Dubai, specializing in luxury landscaping, custom swimming pools, and integrated home improvement services. With a deep understanding of outdoor aesthetics and functional living, we create elegant, long-lasting spaces that enhance not just beauty—but lifestyle and property value.

Our team delivers bespoke outdoor environments—from lush green landscapes and smart irrigation systems to custom-built pergolas, lighting solutions, and water features. Whether it's a serene garden, a stylish swimming pool, or complete exterior renovation, every project is managed in-house for complete quality control and smooth execution

Who We Are

Al **Basma Landscaping and Gardening Works** is a Dubai-based company offering expert landscaping, swimming pool construction, and full home improvement services. With a skilled in-house team, we deliver elegant, functional, and lasting outdoor and indoor transformations — all under one roof.

Our Vision & Mission

At Al Basma Landscaping and Gardening Works, we combine over 20 years of industry experience with a commitment to quality and customer satisfaction. Our services are designed to be cost-effective without compromising on materials or craftsmanship. Every project we take on is executed with precision, ensuring long-lasting results and a flawless finish. With a skilled team and a wide range of in-house services, we offer reliable, end-to-end solutions that make us the preferred choice for landscaping, construction, and home improvement across Dubai.

Company Vision

To deliver high-quality, customized landscaping, construction, and maintenance services that enhance the beauty, comfort, and value of every property we work on — with integrity, precision, and a customer-first approach

Company Mission

To be the leading one-stop solution in the UAE for outdoor living and home improvement, recognized for our creativity, reliability, and commitment to transforming spaces into elegant, functional environments.
